

1 Soil Health Card (SHC) Scheme ★

- **Launched:** 2015, Ministry of Agriculture.
- **Target:** Optimize nutrient management, issue cards every 3 years.
- **Objectives:** Assess nutrient status, provide fertilizer recommendations on soil health.

- **Target audience:** All farmers.
- **Impacts:** Increased crop productivity, reduced cost.
- **NEW:** As of 2022-23, SHC is a component of Rashtriya Krishi Vikas Yojana (RKVY).
- **Ministry of 2015,** Ministry of Chemicals.
- **Key Principle:** Fixed subsidy based on nutrient content (not product weight).
- **Nutrients covered:** N, P, K, and S in mixed fertilizers.

NEW (Current Update): NBS now covers 28 grades of P&K fertilizers.
NOTE: UPSC Favorite Trick Question: NBS does NOT cover Urea.

2 Nutrient Based Subsidy (NBS) Scheme ★

- **Launched:** 2010, Ministry of Chemicals & Fertilizers.
- **Key Principle:** Fixed subsidy based on nutrient content (not product weight).
- **Objectives:** Improve NPK consumption ratio, promote balanced fertilization, reduce dependency on Urea (Urea is under specific pricing).

3 National Ayush Mission (NAM)

Ayurveda

Yoga

Unani

Siddha

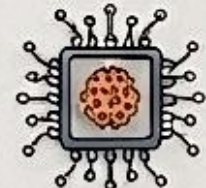

Homoeopathy

- **Ministry:** Ministry of AYUSH.
- **Components:** Ayurveda, Yoga, Naturopathy, Unani, Siddha, Homoeopathy, Sowa Rigpa.
- **Objectives:** Revitalize and institutionalize traditional medicine systems.
- **Infrastructure:** AYUSH Health & Wellness Centres (AHWCs), Ayush Institutes.

4 Aditi Scheme

- Ministry of Defence.

- **Stealth Drone**
- **Focus:** Deep Tech Innovation in critical and strategic technologies for Defence.
- **Features:** IDEX (Innovations for Defence Excellence) involvement.
- **Technology Areas:** Space (Satellite-based communication), Artificial Intelligence, Quantum Tech, Autonomous Systems, and Hypersonics.
- **Objectives:** Achieve Aatmanirbharta (Self-Reliance) in critical defense tech.

★ Focus on Ministry, Year, Key Parameters, Target Audience, and Major Impacts.
 Good luck, aspirants! ★

5 Diamond Impressed Authorisation (DIA) Scheme. ★

- **Launched:** Jan 2025 (Operational from April 1, 2025).

Natural Cut & Polished Diamonds

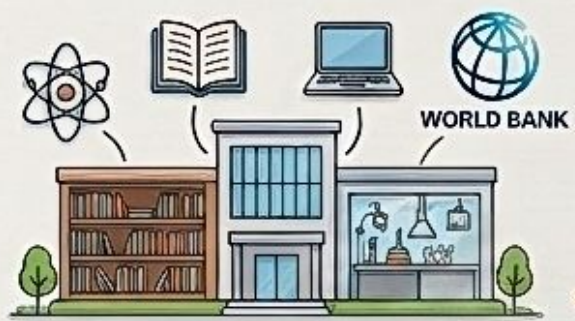

- **Launched:** Jan 2025.
- **Ministry:** Ministry of Commerce & Industry (Dept. of Commerce).
- **Objective:** Enable duty-free import of Natural Cut & Polished Diamonds for subsequent re-export.
- **Target Eligibility:** Exporters must be Two-Star Export Houses (or higher) with an average annual turnover of **at least \$15 Million**.
- **NEW (Update):** Mandatory 10% value addition is required on re-export.
- **Key Caveat:** Limited to diamonds < 0.25 carats.
- **NOTE (UPSC Favorite Trick Question):** DIA Scheme does NOT cover Lab-Grown Diamonds.

6 Credit Guarantee Scheme for Startups (CGSS)

- **Nodal Ministry:** Ministry of Commerce & Industry (DPIIT).
- **Implementing Agency:** Managed by **NCGTC** (National Credit Guarantee Trustee Company).
- **Key Feature:** Provides credit guarantee for collateral-free debt facilities to recognized startups.
- **NEW (Current Update):** Maximum guarantee limit is increased to **₹20 Crore** (up from ₹10 Cr) per startup.
- **Guarantee Coverage:** 85% for loans up to ₹10 Cr; 75% for loans above ₹10 Cr and up to ₹20 Cr.

7 MERITE Scheme (Multidisciplinary Education)

- **Full Form:** Multidisciplinary Education and Research Improvement in Technical Education. Aligned with NEP.
- **Ministry:** Ministry of Education.
- **Type:** **Central Sector Scheme** with significant **World Bank** funding (50%).
- **Budget:** Total outlay of ₹4,200 Cr over 2025–2030 (with ₹2,100 Cr World Bank loan).
- **Objective:** Improve quality and equity in technical and vocational education; focus on employability and research. Aligned with NEP 2020. ✓
- **NEW (Update):** Phase I targeting 275 Govt-aided technical institutes (175 Engineering and 100 Polytechnics).

8 PM SHRI Schools (Centrally Sponsored)

Exemplar

- **Full Form:** PM Schools for Rising India.
 - **Type:** **Centrally Sponsored Scheme (CSS)** - Fund sharing between Center and States.
 - **Objective:** Upgrade over 14,500 existing schools into "Exemplar Schools" demonstrating NEP 2020.
 - **Key Features:** Focus on 'Green Schools' (eco-friendly infrastructure), high-tech ICT labs, skill-based learning.
 - **Funding:** 60:40 (General), 90:10 (NE/Himalayan), 100% (UTs without legislature).
 - **Update:** Phase-wise saturation approach, targeting 2 schools per block/urban area.
- Focus on Ministry, Funding Type (CSS/CS), Key Caveats, and Current Outlay. Pay attention to specific exclusions (like DIA & Lab-Grown Diamonds).
- Good luck, aspirants! ★**

9 SITAA (Scheme for Innovation and Technology Association with Aadhaar) ★

- **Launched:** Oct 2025.
- **Nodal Ministry:** Ministry of Electronics and Information Technology (MeitY).
- **Implementing Agency:** UIDAI.
- **Objective:** Fortify India's Digital Public Infrastructure (DPI) security and authentication against emerging threats (deepfakes, spoofing).
- **Target Eligibility:** Tech companies and startups developing innovative secure authentication.
- **New (Update):** Incorporates AI/ML for real-time deepfake detection.
- **Key Caveat:** Primarily for high-security applications, not all services.
- **NOTE (UPSC Favorite Trick Question):** Focus is on authentication 'security', not expanding 'access' (covered by other schemes).

10 Kisan Pehchan Patra Patral (Farmer ID) Scheme ★

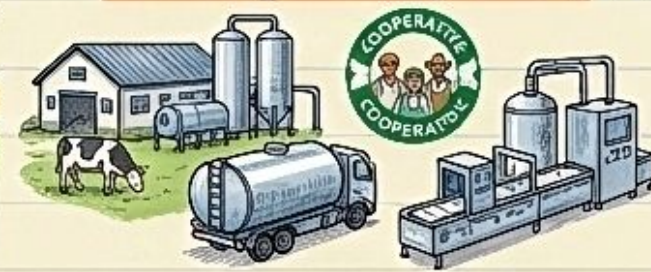

- **Launched:** Nov 2025 (Initial Rollout).
- **Nodal Ministry:** Ministry of Agriculture & Farmers Welfare (MoA&FW).
- **Implementing Agency:** State Agriculture Departments & PM-KISAN Portal.
- **Objective:** Create a unique digital identity for every farmer to streamline delivery of all agriculture schemes.
- **Target Eligibility:** All operational landholders, verified through land records.
- **New (Current Update):** Now mandatory for 100% MSP procurement from Kharif 2026.
- **Key Feature:** Integrates land records, cropping patterns, and bank accounts.

11 PM Dhannya Krishi Yojana ★

- **Full Form:** Pradhan Mantri Dhannya Krishi Yojana.
- **Type:** Central Sector Scheme (100% Centrally Funded).
- **Nodal Ministry:** Ministry of Agriculture & Farmers Welfare.
- **Objective:** Ensure nutrient-dense food security through diversification and sustainable practices.
- **Target Eligibility:** Small & Marginal Farmers in identified agro-climatic zones.
- **New (Update):** Focus on climate-resilient crop varieties and integrated nutrient management (INM).
- **Key Feature:** 100% subsidised inputs for organic conversion of designated 'Millets Belts'.

12 Revised National Program for Dairy Development (NPDD) ★

- **Full Form:** Revised National Programme for Dairy Development.
- **Type:** Central Sector Scheme.
- **Nodal Ministry:** Ministry of Fisheries, Animal Husbandry & Dairying.
- **Objective:** Create quality milk infrastructure, digitise supply chains, and enhance value addition.
- **Target Eligibility:** Milk Producer Companies (MPCs) and Cooperative Societies.
- **New (Update):** Phase II (2025-26) now integrates AI-based quality testing and carbon credit mechanisms.
- **Key Feature:** 100% Funding for establishing cold-chain infrastructure at farm gate.

Good luck, aspirants! ★

UPSC PRELIMS 2026 CHEATSHEET: KEY GOVERNMENT SCHEMES & UPDATES

★ STAT: Enrolment has crossed 5 million beneficiaries.

UPSC PRELIMS 2026 CHEATSHEET: HIGH-IMPACT SCHEMES

(Real-Time Updates as of April 2026)

PRADHAN MANTRI VIKSIT BHARAT ROZGAR YOJANA (PMVBRY)

 Nodal Ministry: Labour & Employment (via EPFO)

 Goal: Create 3.5 Crore Jobs (formalize workforce)

 Key Features:

★ Scheme A (First Timers):

- For wages $\leq$ ₹1 Lakh/month.
- Benefit: 1-month wage (up to ₹15,000) in 3 installments.

★ Scheme B (Employers):

- Benefit: Reimbursement of employer contribution (up to ₹3,000/month) for 2 years.
- Condition: Must expand workforce (2-5 new employees).

DEEP-TECH STARTUP POLICY (NDTSP) & RDI SCHEME

 Nodal Agency: PSA to Govt of India / DST

 Goal: Indigenize 'hard tech' (Semicon, Space, AI).

 Key Features:

★ RDI Scheme: ₹1 Lakh Crore corpus (approved July 2025) for long-gestation R&D.

★ Startup Definition:

- Tenure: Increased to 20 Years (vs 10y standard).
- Turnover Cap: Raised to ₹300 Cr.

★ Focus: IP-led innovation, not just service platforms.

 REAL-TIME UPDATE 2026:

- Policy: The 'Deep Tech Window' for patent filing now allows fast-track examination (under 12 months).

GREEN HYDROGEN CERTIFICATION SCHEME (GHCI)

 Nodal Ministry: MNRE (Impl. by BEE)

 Goal: Establish credibility for Indian H₂ exports.

 Key Features:

- ★ Definition: Non-biogenic GHG emissions $\leq$ 2 kg CO₂ eq/kg H₂ (12-month avg).
- ★ Scope: Covers Electrolysis (Renewable) & Biomass pathways.
- ★ Validity: Verified by Accredited Carbon Verification (ACV) agencies.

 REAL-TIME UPDATE 2026:

- Trading: While the GH Certificate itself is non-tradable, it now qualifies producers to generate credits under the Carbon Credit Trading Scheme (CCTS).
- First Trade: India-Singapore Green Ammonia corridor established.

BHARAT 6G MISSION (B6GM)

 Nodal Body: Bharat 6G Alliance (B6GA)

Goal: 'Affordability, Sustainability, Ubiquity' by 2030.

Key Features:

- ★ Speed: Target 1 Tbps (100x faster than 5G).
- ★ Technology: Uses Terahertz (THz) bands & Integrated Sensing.
- ★ Patents: Target of 10% global 6G patents.

 REAL-TIME UPDATE 2026:

- Phase Status: Phase 1 (Ideation) concluded in 2025.
- Current: Phase 2 (2025-2030) is active, focusing on 'Commercialization & Testbeds'.
- Patents: India has secured 127+ 6G patents (as of March 2026).

UPSC PRELIMS 2026 CHEATSHEET: TARGETED SCHEMES

(Real-Time Updates as of April 2026)

I PRADHAN MANTRI MATRU VANDANA YOJANA (PMMVY)

 Nodal Ministry: Women and Child Development (WCD)

 Goal: Reduce infant mortality, improve maternal health, and provide conditional cash transfer.

 Key Features:

- ★ Target Group: Pregnant and Lactating Mothers (P&LM) for the first two live children (modified for second girl child in 2024).
- ★ Benefit (1st Child): ₹5,000 in two installments (₹3,000 + ₹2,000), conditional on ANC and immunization.
- ★ Benefit (2nd Girl Child): Additional ₹6,000 one-time benefit (implemented 2024-25).
- ★ Mode: Direct Benefit Transfer (DBT).

 REAL-TIME UPDATE 2026:

- Status: Fully functional. The specific ₹6,000 allocation for the second girl child is achieving high penetration, especially in rural areas.
- Digitization: The PMMVY portal 2.0 is now fully integrated with state-level health portals (like RCH) for real-time verification, reducing delays.

III RASHTRIYA UDYAMITA VIKAS PARIYOJANA (RUVV)

 Nodal Ministry: Skill Development & Entrepreneurship (MSDE)

 Goal: Create an entrepreneurship culture and ecosystem among the youth of India.

 Key Features:

- ★ Focus Areas: Mentorship, financial literacy, market linkage, digital adoption.
- ★ Specific Groups: Special focus on women, SC/ST, and aspirational districts.
- ★ Funding: Seed funding and linkages to formal credit sources (e.g., MUDRA).
- ★ Institutional Framework: Supported by RSETIs, universities, and industry bodies.

 REAL-TIME UPDATE 2026:

- Status: The dedicated RUVV portal is now a unified hub for all central entrepreneurship initiatives.
- Digital Skilling: A mandatory 15-day digital skill-building module has been integrated into all entrepreneurship training programs.
- Network: Over 50,000 certified mentors are now active across 500+ districts.

II PM VISHWAKARMA SCHEME (PMV)

 Nodal Ministry: MSME

 Goal: Support traditional artisans and craftspeople (Vishwakarmas) through skill development and credit.

 Key Features:

- ★ Target Trades: 18 traditional trades (e.g., Blacksmiths, Goldsmiths, Potters, Carpenters, etc.).
- ★ Components: Collateral-free credit (up to ₹3 Lakh in two tranches), skill upgradation (basic & advanced), toolkit incentive (₹15,000).
- ★ Certification: Provided as a recognized certificate and ID card.
- ★ Credit Subsidy: Interest subvention of up to 8%.

 REAL-TIME UPDATE 2026:

- Status: Widespread implementation across India. Over 10 million 'Vishwakarma' IDs have been issued.
- Credit: Phase 1 (₹1 Lakh) is showing low delinquency rates. Phase 2 (₹2 Lakh) disbursement has commenced for eligible artisans.
- Focus: New focus on standardizing tools and materials to enhance product quality for exports.

IV PRADHAN MANTRI JANJATIYA UNNAT GRAM ABHIYAN (PM-JUGA)

 Nodal Ministry: Tribal Affairs (MoTA)

 Goal: Comprehensive and sustainable development of identified tribal villages.

 Key Features:

- ★ Village Focus: Intensive development in over 36,000 tribal-dominated villages.
- ★ Components: Basic infrastructure (water, roads, electricity, housing), livelihood, education, and health.
- ★ Convergence: Converges over 25 existing central schemes for targeted application.
- ★ Technology: Use of GIS and specific village-level data for planning.

 REAL-TIME UPDATE 2026:

- Status: Active since 2024. Over 15,000 villages have been 'unnatized' with improved services.
- Livelihood: Special emphasis on promoting Van Dhan Vikas Kendras within PM-JUGA villages, linking tribal products to larger supply chains.
- Health: Mobile health vans and telemedicine services are now reaching 80% of these villages.
